

CTS Certificate Program Application Checklist:

1. Preparation of narrative responses to the following questions (these will be **uploaded in lieu of a personal statement**). Please write out each question completely, followed by your answer. Please answer each question **in your own words**:
 - Please compare and contrast Clinical and Translational Science with Basic Science.
 - How do your research interests align with Clinical and Translational Science?
 - Why are you pursuing graduate study in Clinical and Translational Science?
 - What are your professional goals and how will education in Clinical and Translational Science help you to reach those goals?
 - Please provide a timeline for completing the requirements for the CTS program to which you are applying. [Click here to see the program requirements for the certificate.](#)
2. Uploading of Current CV
3. Uploading of Transcript (undergraduate and current or most recent institution are required)
4. Receipt of Two Letters of Support
 - If you are in a residency or fellowship program, a letter from the residency/fellowship director is required.
 - If you are a faculty member, a letter from your division or department chair is required.
