Diversity, Equity and Inclusion Council
University of Kentucky, College of Medicine, Department of Behavioral Science

i. Preamble:
i.1 Established in 2019, the Diversity, Equity, and Inclusion Council is an action-oriented group composed of a diverse representation of six faculty members and two staff members from the Department of Behavioral Science. The DEI Council will provide leadership, accountability, and recommendations to create a more diverse, equitable, and inclusive environment within the Department of Behavioral Science. Council definitions:
i.1.1 Diversity as a core value embodies inclusiveness, mutual respect, and multiple perspectives and serves as a catalyst for change. In this context, the DEI Council is mindful of all aspects of human differences such as socioeconomic status, race, ethnicity, language, nationality, sex, gender identity, sexual orientation, religion, geography, disability, and age.
i.1.2 Inclusion is a core element for successfully achieving diversity. Inclusion is achieved by nurturing the climate and culture of the institution through professional development, education, policy, and practice. The objective is creating a climate that fosters belonging, respect, and value for all and encourages engagement and connection throughout the department.
i.1.3 Equity is a condition achieved when everyone has the opportunity to attain their full potential and no one is disadvantaged from achieving this potential because of their social position or other socially-determined circumstance.
i.2 The DEI Council’s mission is grounded in broad principles of diversity, equity, and inclusion as they relate to academic medicine, and more specifically behavioral science.
i.2.1 The DEI Council will embody inclusiveness, mutual respect, and multiple perspectives and take into account all aspects of human differences as it seeks to support the Department of Behavioral Sciences mission of education, research, service, practice, and all other-related scholarly activities.
i.2.2 The DEI Council will promote and engage in a culture and climate that fosters belonging, respect, engagement, and value for all through research, education, service, and practice.
i.2.3 The DEI Council will advocate for equitable recognition, compensation, and opportunities for staff, students, and faculty.
i.2.4 The DEI Council will support the mentoring, career development, and advancement of faculty, staff, and students.
i.3 The DEI Council goals and responsibilities include:

i.3.1 Attain a diverse environment through recruitment, hiring, and retention of faculty, staff, and students from under-represented groups.
   i.3.1.a Representation of at least one DEI Council member on faculty search committees.
   i.3.1.b Representation of at least one DEI Council member on graduate admissions and review committees.
   i.3.1.c Representation of at least one DEI Council member on all other Department of Behavioral Science standing and ad hoc committees.

i.3.2 Enhance inclusive engagement and collaboration of faculty and staff.

i.3.3 Supporting the educational mission of the Department of Behavioral Science by encouraging and providing tools for faculty to integrate diversity, equity, and inclusion into the educational curricula, including all teaching and mentoring activities

i.3.4 Supporting the research mission of the Department of Behavioral Science by highlighting inequities and deficiencies in departmental research activities and providing feedback and practical tools for the integration of diversity, equity, and inclusion into the research activities and agenda of departmental faculty.

i.3.5 Supporting the service mission of the Department of Behavioral Science through the promotion of community-service related activities and outreach for staff, students, and faculty engagement.

i.3.6 Establish an Excellence in Equity, Diversity, and Inclusion Faculty Recognition Award
   i.3.6.a Awarded annually in the Spring to a faculty member who demonstrates exemplary leadership and efforts to support and create a diverse and inclusive workplace, along with an educational environment where learners can understand the needs of diverse individuals, including work in health disparities or with underserved populations. Recipients may demonstrate this commitment across a wide range of activities including: efforts to support recruitment and retention of diverse faculty and/or trainees; teaching and/or research that expand our understanding of equity and inclusiveness; creation/promotion of multicultural programming; community outreach activities; or other activities in the area of equity, diversity, and inclusion.
